### Custom colours

A broad range of glass panels can be selected to integrate your lift seamlessly with the building interior or match your brand colours.

Simply let us know the RAL specification and we can match your requirements.

The colours and designs reproduced in this document have been matched as closely as the scanning and printing process will allow. It is recommended you obtain samples prior to final specification. We are continually developing and improving our range of products and finishes and we therefore reserve the right to alter or amend the specification without prior notice.
